Values

Your priorities are our priorities.

Human

Our company places people at the heart of our concerns. We value **diversity, inclusion, and mutual respect**. Together, we create an environment where **everyone feels heard**, supported, and respected. We are all different, and there is something for each of us.

Healthy

Fresh and healthy food for your body and for the planet. Our commitment to well-being extends beyond nutrition. We **prioritize sustainable practices**, using packaging made from **recycled pulp** or **cardboard** to **minimize our environmental impact**.

Local

Local sourcing with **seasonal fruits and vegetables** products. By **supporting short food circuits**, we reduce transportation distances, **support local**, and ensure that our ingredients are fresh and flavorful.

They trust us

Here are a few of our happy clients

Why choose us?

Here are a few reasons:

The most practical and efficient solution.

Up to **75% cheaper** than a traditional cafeteria.

Space-saving: requires less than 1m².

All **services included** (installation, maintenance, replenishment, events, app...).

Productive technology

Replenishment based on **real-time sales analysis** which helps to minimize food waste as much as possible.

Easy access via smartphone or credit card.

Frigo Loco rhymes with health, proximity, and variety.

Meals by **local chefs**, using **fresh and local ingredients**.

Nutritional information and ingredient details available on the app.

Our **menu changes weekly**.

To try it is to approve it!

Social engagement or conviviality: we are a partner to enhance your breaks and foster social connections among colleagues.

Service available **24/7**.

We offer trial periods.

How does the Frigo Loco work?

Follow your craving and let yourself be tempted by what you want. **Open your Frigo Loco** with your **bank card** or **your phone**.

Grab your favorite food and close the door, the fridge knows what you took!

Enjoy your break!

Create the office 2.0

CUSTOMISE YOUR SPACE

Because you have specific needs, we offer tailor-made modules to create a unique employee experience at your office

COFFEE WITH A TWIST

Locally ground coffee from sustainable sourcing with a delicious taste is what we have in store with our coffee modules. We collaborate with Torrefactory for our coffee supply.

MICROWAVES

One module with 2 or 3 microwaves integrated with the other furniture. The module can also include cutlery.

ZERO WASTE

Module set up to gather reusable containers for a zero waste fridge. They will then be refilled with the freshest food from our chefs.

The Nuts Bar

Offers a **wide variety** of carefully selected options to **satisfy all tastes**. With our small jars, you can easily **take your nuts** to your desk or into the meeting room.

Fruit basket

Contains fresh, local, and seasonal fruits whenever possible; watch the contents change with the seasons. Perfect for any time of the day. Available in multiple sizes.

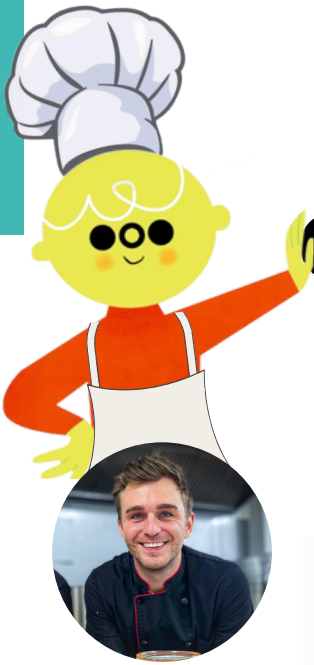

Catering for your business events

Look no further! We offer on-demand catering services for all your events:

- ✓ Business Lunch
- ✓ Event Catering
- ✓ Product Launch
- ✓ Birthday and other celebrations

Our awesome suppliers

Behind all the fresh dishes, snacks and drinks that we offer you there are people who make sure to create the **best for you**. We source our fruits and vegetables **locally, respecting people and seasons**.
